Cincocina S.L. es un fabricante de cocinas con gran experiencia en el mercado nacional desde 1984. Año tras año hemos ido creciendo de forma exponencial hasta la fecha actual, momento en el que seguimos a la vanguardia en el mercado.

Con una superficie de más de 16.000 metros cuadrados, nuestra fábrica tiene una gran capacidad de producción. En ella contamos con unas instalaciones preparadas para la fabricación masiva de muebles de cocina cumpliendo con los máximos estándares de calidad.

Nuestro equipo humano formado por más de 80 personas está a su disposición, con el compromiso de servir a nuestros clientes.

Nos significa nuestra amplia gama de modelos así como por disponer de un catálogo técnico muy completo con el que se puede realizar cualquier composición.

Además, contamos con un canal de distribución propio que nos permite suministrar nuestros productos a cualquier punto de España, Francia y Portugal en un reducido plazo de tiempo.

Muebles en chaflan, polilaminados, maderas y lacados + **35%** inmediato superior

- * Todos los muebles están valorados sin tirador, por lo que hay que incrementar el precio del mismo. Dicho precio está en la tarifa de tiradores y siempre se cobrará aparte de los muebles. El precio variará dependiendo de la categoría y del diseño.
- * Los pedidos se deben pasar por correo electrónico
- * Los modelos que por defecto se fabrican con armazon blanco y se pidan con el armazon en diseño tendran un incremento de un 4 %.
- * Todos los muebles tienen un codigo , una descripción y un precio en puntos, La forma de saber el codigo de un articulo mirando nuestra tarifa es la siguiente.

| | |
|-------------------------|---|
| 1ª CODIGO MODELO | Desde la serie 100 a la 603 |
| 2ª REF. | Formado por letras |
| 3ª ANCHO | Anchura del mueble |
| 4ª ALTO | Altura del mueble (excepto muebles bajos) |
| 5ª 1P | Solo en caso de muebles de 60 de ancho |

Estos datos estan en **negrita** en nuestra tarifa

- * Los pedidos se consideran en firme , una vez trascurridas 24 horas desde su recepcion del mismo en nuestras oficinas y no se admitiran cambios ni anulaciones de modulos ni puertas que se consideren especiales.
- * En los modelos de madera , al ser producto naturales , pueden tener cambios de color o tonalidad, por lo que un cambio de dichas características, no supone que sea un producto defectuoso.

**CONDICIONES GENERALES DE VENTA
EDICIÓN - 06 / 2019 - JUNIO**

Toda la tarifa esta cotizada en puntos. El precio del punto es de:

0,495 EUROS

* Se podra optar por las siguientes formas de pago

RECIBO BANCARIO 30 DIAS DE FACTURA..... 1,5%

Para obras y exposiciones pueden existir ofertas especiales. Para ello deberan dirigirse a nuestro departamento comercial

PASOS PARA REALIZAR MEJOR SUS PEDIDOS

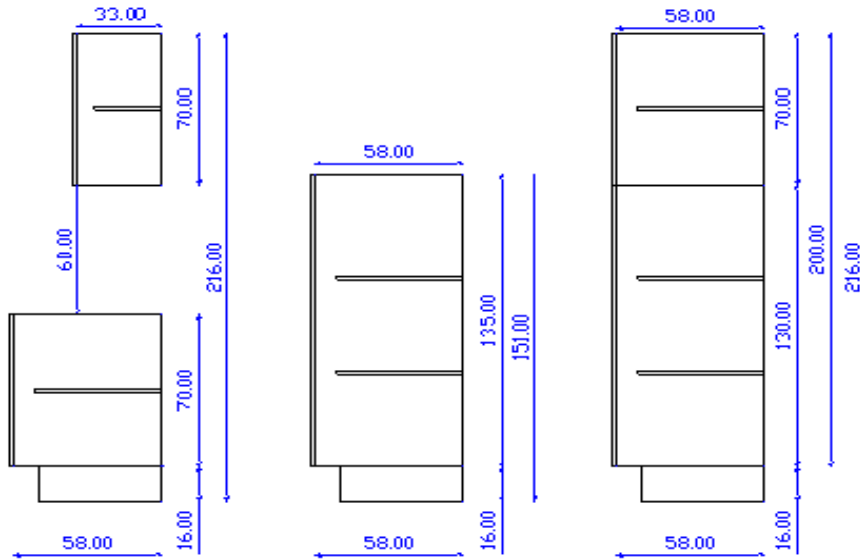

1. El cliente debe reflejar la dirección, población y fecha; además de la referencia de su cliente válida para ayudar a localizar su pedido en posibles reclamaciones.
2. Indicar el modelo o serie junto con el número de tarifa:
 - ⇒ Si es un modelo de melamina o estratificado, hay que tener en cuenta si va combinado con otro, indicando en la columna de color los muebles del modelo que menos predomina (líneas 2,8 y 12).Tambien hay que tener en cuenta el canto de ambos modelos ya que pueden tener el mismo, distinto o a juego con la puerta.
 - ⇒ Si es de madera o laca indicar el color y el acabado.
3. En la relación de muebles es muy importante colocar primero los muebles altos, luego los bajos y por ultimo los columnas (siempre con las referencias de la tarifa). Además poner la mano (I_D) si es izquierdo o derecho (líneas 1,9,10,11 y 14), si algún mueble es de fondo diferente al normal indicar su fondo en (F.C) (líneas 2 y 10) y no olvidar incluir a que lado del mueble van los costados vistos si es que los hay, en la columna de COST. VIS (líneas 3 y 10).

Según sea el tipo de mueble destacaremos una serie de características en su descripción:

- ⇒ Muebles vitrina: Indicaremos el tipo de cristal (línea 2).
 - ⇒ Muebles escurreplatos (línea 4): Material de las varillas (inox, epoxi blanco) y si llevan bandeja vierteaguas. Si son inox hay que aumentar la varilla inox según medida I.EI . (línea 5)
 - ⇒ Muebles fregadero (línea 11): si llevan bandeja.
 - ⇒ Reflejar en rinconeras altas si son normales o angulares. (línea 6).
 - ⇒ En los muebles de cajones y caceroleros reflejaremos el tipo de cajon que puede ser metálico o metálico con frenos (líneas 12 y 13).
 - ⇒ En soportes placa indicar si lleva rejilla de ventilación con su color (inox, blanca, negra) o regleta.
 - ⇒ En columnas si las puertas no tienen medida normal y son especiales indicar la medida de las mismas.
 - ⇒ En las rinconeras bajas hay que especificar el lado al que va la parte ciega y la medida de la puerta que abre.
 - ⇒ Para los muebles especiales recomendamos realizar un dibujo con todas sus medidas.
4. Indicaremos en los complementos las puertas costado, galerias Etc.
 5. En los elementos lineales no debemos olvidar los colores y modelos. Sobretudo en las encimeras indicando el modelo y el grupo asi como si llevan algun corte o mecanización.
 6. Por último reflejar bien en el pedido la cantidad de patas, chapas, tiradores en caso que lleven y si van colocados en la puerta o sueltos (tiradores).
